## First Day of Fall Term

## Questions About your Fall Classes?

If you have any questions about your fall schedule, we invite you to connect with an advisor via appointment (can be scheduled via Academics section of Workday) or drop-ins (please see details in the box on the left). This will enable you to address those items before the hectic first week of fall classes.

A reminder that add/swap/drop for fall classes reopens on Thursday, August 5 at 12pm ET.

## Long-Range Academic Planning

Has the summer 2021 trimester accelerated your intended degree completion timeline? If so, we encourage you to schedule a long-range planning appointment with an advisor, as mentioned above.

We suggest you review our guide to [Preparing a Long-Range Academic Plan](#) and make your best attempt at a plan to bring to the appointment.

## 2021-2022 Academic Calendar

The academic calendar for both fall 2021 and spring 2022 is now posted at <https://www.bentley.edu/offices/registrar/academic-calendars>. Please be sure to review this information to identify key academic dates for the upcoming year.
