## Now Hiring!

### Peer Academic Advisors

Undergraduate Academic Services (UAS) is recruiting a select group of upper-class students for our 2022 - 2023 Peer Academic Advisor positions. Peer Advisors are an excellent resource for students looking for general academic advising assistance and support. Peer advisor applicants must:

- be a rising junior or senior (current sophomores or juniors)
- have at least one full academic year at Bentley remaining
- possess a strong attention to detail and have the ability to learn and apply a breadth of academic information
- have outstanding interpersonal and communication skills

The Peer Academic Advisor application can be found [here](#). The application deadline is Wednesday, February 16th at 4:00pm.

### Falcon Discovery Seminar Peer Leaders

Applications are now open for Peer Leaders in the new Falcon Discovery Seminar (FDS)! The FDS will provide students with a rigorous academic experience while embedding transformative experiential learning, foundational skill-building, and connections to the Bentley community. Each FDS section will have a dedicated peer leader who helps guide, mentor, and instruct first-year students in foundational skills and resources at Bentley. If you will be at Bentley in Fall 2022, please consider applying to be a part of the FDS team!

Applications are due by 10:00am on Friday, February 11th. Click [here](#) to apply. Please email Zoë Wagner (zfwagner@bentley.edu) or Jamie Bang (jbang@bentley.edu) with any questions.
