## Footnotes:

<sup>1</sup>These courses may not be taken as Pass/Fail.

<sup>2</sup>The Electives Guideline are available in the Academic Catalogue.

<sup>3</sup>These courses comprise the Business Administration Minor.

<sup>4</sup>These courses along with the following courses: MG215, MK250, and MG313 are required to complete the Business Administration Major.

<sup>5</sup>Given that students in the Honors Program need to take FI627 instead of FI307H, they will need to take another Honors elective. Honors students should consult with the Honors Program Director or Assistant Director.

<sup>6</sup>FI751 and FI631/701 must be completed in the summer after junior year. If a student takes FI701 in the summer term, they must take FI631 as part of their six remaining graduate courses to complete the MSF after all undergraduate degree requirements are met.
