Suggested Finance Course Progression

FI 305 to be completed by spring of sophomore year

FI 306/623 and FI 307/627 to be completed by spring of junior year

FI 751 and FI 701 must be completed in summer after junior year

Remaining FI electives must be completed by end of fall term in senior year

Please note: This suggested progression does not take into consideration full details of the Honors Program, studying abroad, or the Financial Analytics track.

1. Placement in this course is determined by the English and Media Studies department.
2. Requirement may be fulfilled with any LIT/CIN/EMS course or MLCH 403, MLFR 304, MLIT 304, MLIT 305, MLSP 306, 307, 404, or 405. Certain topics/titles of MLCH 402 or MLSP 301 may also apply.
3. The Math sequence consists of either MA 123 & MA 126 or MA 131 & MA 139, depending upon departmental placement.
4. Elective guidelines are available on the Registrar's website. An optional 12-credit minor can fulfill the applicable elective requirements.
5. ASF students in the Honors Program must take FI 306H and FI 307H. Other ASF students have the choice to take FI 306 or FI 623 AND FI 307 or FI 627.
6. As four, and only four, graduate FI courses are permitted as an undergraduate, please be careful to adhere to that requirement when selecting your FI electives.
7. Students who choose the Financial Analytics track in the MSF have different graduate degree requirements.
