Footnotes:

¹ These courses may not be taken as Pass/Fail.

² You are strongly urged to meet with your department chair on a regular basis to discuss a particular track and major requirements.

³ To be filled with Health, Psychology, or Interdepartmental courses from the selected Health Studies Track.

⁴ Students pursuing a Bachelor of Arts students must complete two semesters of the same modern language, regardless of proficiency levels. Credits earned from AP classes and other institutions approved by Bentley (including abroad) will be considered. **NOTE:** Modern Languages required for a Bachelor of Arts degree may not be taken as pass/fail courses.

⁵ The Electives Guideline are available in the Academic Catalogue.

Additional Notes:

Context & Perspectives
<ul style="list-style-type: none"> Students must take 1 course in each of the 6 themes of Context and Perspectives. Courses are unique to each theme; no course can satisfy more than one theme. Courses must be taken in at least 3 different departments (ex. PH, EMS, HI). This means that students can do a maximum of two courses in one department. Any number of courses can be shared with majors or minors, but a single course cannot count for both a major and a minor. Additionally, a single course may not count in more than one minor. Courses that satisfy the Contexts & Perspective requirements may not satisfy any of the required Arts and Science electives. Context and Perspective courses may count for the Modern Language requirement for BA majors. Context and Perspective courses may not count for Arts and Science or Unrestricted electives for both BA and BS majors.
Course Sharing Rules
<ul style="list-style-type: none"> Up to three courses may be shared across different majors. No courses may be shared between any major and any minor. No courses may be shared between any minors. A single course of any kind can be shared up to three times: <ul style="list-style-type: none"> Example 1: If a student has three majors, a single course can count for all three majors. Example 2: If a student has two majors, a single course could count for a Context & Perspectives course and both majors.

* These courses comprise the Business Administration Minor.

* These courses along with the following courses: EC112, AC215, MG215, MK250, IPM300, MG300, and MG313 are required to complete the Business Administration Major.
