Additional Notes:

Context & Perspectives
<ul style="list-style-type: none"> Students must take 1 course in each of the 6 themes of Context and Perspectives. Courses are unique to each theme; no course can satisfy more than one theme. No more than two (2) courses may be taken from any one academic department, including departments with two or more course designators, for example, Natural and Applied Sciences (NAS, PSY). Any number of courses can be shared with majors or minors, but a single course cannot count for both a major and a minor. Additionally, a single course may not count in more than one minor. Courses that satisfy the Contexts & Perspective requirements may not satisfy any of the required Arts and Science electives. Context and Perspective courses may count for the Modern Language requirement for BA majors. Context and Perspective courses may not count for Arts and Science or Unrestricted electives for both BA and BS majors.
Course Sharing Rules
<ul style="list-style-type: none"> Up to three courses may be shared across different majors. No courses may be shared between any major and any minor. No courses may be shared between any minors. A single course of any kind can be shared up to three times: <ul style="list-style-type: none"> Example 1: If a student has three majors, a single course can count for all three majors. Example 2: If a student has two majors, a single course could count for a Context & Perspectives course and both majors.
