PROFESSIONAL SALES

The Professional Sales major develops critical knowledge and perspective in the fields of revenue generation, business development and sales management, while nurturing an understanding of the role sales plays within an organization. This strategic mastery is coupled with pragmatic expertise, ultimately translating into success in the employment marketplace — professional sales skills are highly transferrable across industries and can be applied in private and public companies, nonprofit organizations and social missions.

The skills and knowledge majors will gain are particularly well-suited to a number of revenue generation and business development roles across a variety of industries and markets.

Specific roles for Professional Sales majors include the following:

- Account manager
- Business development representative
- Consultant
- Customer service manager
- Inside sales representative
- Nonprofit development associate
- Online sales manager
- Outside sales representative
- Sales operations analyst
- Sales support specialist
- Technical sales representative
