

Choosing Your Courses: Honors Program

Students who are not in the Honors Program and transfer students **SHOULD NOT** use this document and instead refer to their Advising & Registration checklist.

Course 1: Math or CS 100

This course will be registered for you before registration day! You should build your schedule around the course. Courses will be assigned based on math placement and major. You can find this course in your Workday account or in your Schedule Planner by July 22nd.

- You will take Math and CS 100 in your first year.
- View CS 100 Information [HERE](#).
- View the different Math course options [HERE](#).
- If you have prior in credit for MA 105, 107, or 131 - you will not need a math course unless you plan to pursue a math major.

Course 2: Business Dynamics

In your first two years at Bentley, you will take six Business Dynamics courses. For your first semester, you can choose between the following: LA 100 Business Law, MG 116 Human Dynamics in Organizations, or EC 111 Microeconomics.

- This course you should add to Schedule Planner yourself.
- Business Dynamics classes do not need to be taken in a particular order.
- The majors in the table below require Business Dynamics as pre-requisites to their courses, so you can choose to prioritize these if you see your intended major here.
- If you brought in 12 credits or more, you are eligible to choose from the three courses listed above or FI 118 Introduction to Finance or AC 115 Financial Reporting and Analysis.
- If you have prior in credit for any Business Dynamic, choose a different one.

Major of Interest	Prioritize these Business Dynamics
Accounting	AC 115
Business Economics	EC 111
Business Law	LA 100
Corporate Finance & Accounting	AC 115, EC 111, FI 118, ST 113
Diversity, Equity, and Inclusion (B.S.)	MG 116, LA 100
Economics-Finance	AC 115, EC 111, FI 118, ST 113
Finance	AC 115, EC 111, FI 118, ST 113
Finance & Technology	AC 115, EC 111, FI 118, ST 113
Information Technology in Accounting	AC 115
Management	MG 116
Professional Sales	MG 116
Quantitative Economics	EC 111
If your intended major is not listed here, you can pick any Business Dynamic order.	

Honors Program students are limited to two Honors courses in their first semester at Bentley.

Course 3: FDS 100H – Falcon Discovery Seminar

FDS 100 Honors must be taken in your first semester. There are many topics you can choose from. We recommend reviewing the different topic options and choosing your top two.

- View the FDS 100H Special Topics [HERE](#). Please scroll to the bottom of the page.
- Only students in the Honors Program can take Honors FDS 100 options.
- FDS 100 will be uploaded to your Schedule Planner. To select an FDS class section, ensure it is checked off in your Schedule Planner list. Once you have reviewed the topics, you can use Schedule Planner to show schedules with only your favorite topics. Click the options gear next to FDS 100, then click the check box next to your favorites of the Honors sections. If you need help, review the Schedule Planner video [HERE](#).

Course 4: EMS 101H

EMS 101 Honors must be taken in your first semester regardless of placement, unless you have prior credit for EMS 101.

- To select an EMS 101H class section, ensure it is checked off in your Schedule Planner list. To filter your choices to just Honors sections, you can use the options gear in Schedule Planner. NOTE: if your EMS placement was EMS 102, please be sure to register for EMS 101H with Professor Hodes.
- If you have prior credit for EMS 101...
 - ...and were preregistered for the MA course, you must take MG 116H as your second Honors course for the fall.
 - ...and were preregistered for CS 100H, that is your second Honors class for the fall.
 - ...and were not preregistered for CS 100H, please include a second Honors class (ex: Business Dynamics or Context & Perspectives) in your fall schedule.

Course 5: Context & Perspectives

- This course you should add to Schedule Planner yourself.
- Choose one Context and Perspectives course. All options for Fall can be found [HERE](#).
- To learn more about a course, view [Bentley Course Descriptions](#).
- To learn how to search for a Context and Perspectives in Schedule Planner, watch the Schedule Planner video [HERE](#).
