

Step 2: Explore

Now it's time to gather information about the academic programs that align with your self-assessment. Here are some resources to assist you:

[Career Outcomes](#)

view overall outcomes and by major

[Catalogue details for majors and minors](#)

*Be sure to choose the correct catalog year, the catalog that aligns with the **first term** you entered Bentley*

[Course Descriptions](#)

review the details for required courses in the program, as well as elective options, if applicable

[Curriculum Guides](#)

[Degree Requirement Summary for each major](#)

As you begin to review this information, it may be helpful to take the following notes for each program. See step one if you have not already assessed your interests, values, motivation, and abilities.

program name:

classes of interest	
how the program aligns with your interests	
how the program aligns with your values	
how the program aligns with your motivation	
how the program aligns with your abilities	
how the program aligns with your personality	
potential career paths	
questions you have
