COVID Testing Available

Graduate students attending courses in person or using on-campus facilities may optionally enroll in the screening test program on campus and may test up to once per week. Tests are conducted Monday through Thursday from 9:00 a.m. to 4:00 p.m. in the lobby of Adamian. Tests must be scheduled using the [Bentley Health Portal](#).

Are you taking this semester off?

If you plan to not register for courses this Spring, just let us know by filling out the [Leave of Absence request form](#).

Disability Services Reminder

Please make sure to schedule an appointment with Disability Services by calling 781.891.2004.

IMPORTANT ADD/DROP DEADLINES

Celebrating Black History Month

The month honors African American people's rich range of experiences, struggles and achievements throughout history and into modern-day.

MLK Speaker: Martina Edwards

The MLK Committee is honored to announce this year's speaker, Martina Edwards, one of Wall Street's first black female traders and chief of strategic partnerships for Access to Capital for Entrepreneurs.

Tuesday, February 8, 2022

6:00 to 7:00 p.m.

Virtual Event

**Tell us how
we are doing!**

We are launching a Graduate Satisfaction Survey this week. Please give us your feedback to make your graduate student experience even better.

Students will be entered in a raffle for \$100 Amazon gift cards. Check your Bentley email for more details!
