Academic Planner: Master of Science in Finance

This worksheet is intended to help you plan your course enrollments to be sure that they align with the Master of Science in Finance curriculum. Use this worksheet along with Degree Works to track your progress toward program completion.

Please note, in order to graduate students must:

- Complete all degree requirements within five years
- Earn a minimum of 2.7 cumulative GPA

Advising Guidance:

- Only foundation courses may be waived. Insert a “W” under the Waiver/Substitution column.
- If you received an FI substitution, you are required to make up the credits by taking any elective course at the 600 level or higher in FI, CS, EC, MA or ST.
- All course prerequisites must be satisfied. Please note that the stated prerequisites of a course may also have a prerequisite that must be satisfied.
- “AL” sections are reserved for Accelerated Online MBA students with a limited number of seats open to students in other programs.
- Refer to the [Graduate Catalog](#) for guidance about when classes are typically offered.
