MG 651	Project Management	None					
MG 652	Strategic Innovation	None					
MK 758	Enhancing Creativity	None					
SO 603*	Employee Experience	None					
ST 625	Quantitative Analysis for Business	GR 521					
ST 635	Intermediate Statistical Modeling for Business	ST 625					
*SO 603 is a pre-approved non – HF elective by the HFID Program Director.							

## Academic Planner: Master of Science in Human Factors in Information Design California & Online Program

This worksheet is intended to help you plan your course enrollments to be sure that they align with the Master of Science in Human Factors in Information Design curriculum. Use this worksheet along with Degree Works to track your progress toward program completion.

Please note in order to graduate students must:

Complete all degree requirements within five years

Earn a minimum of 2.7 cumulative GPA

## Advising Guidance:

- Students are required to take either HF 710 or HF 725. Students may take both HF 710 and HF 725 and count one as an HF elective.
- Successful completion of Bentley's UX continuing education certificate program with a grade of B or higher prior to the start of the Master of Science in Human Factors in Information Design program will be honored as 6 elective credits to the Master of Science in Human Factors in Information Design program.
- All course prerequisites must be satisfied. Please note that the stated prerequisites of a course may also have a prerequisite that must be satisfied.
- Refer to the <u>Graduate Catalog</u> for guidance about when classes are typically offered.
