Degree Works Overview, What If, Look Ahead, click Process New

Degree Works is a web based, degree auditing tool that enables you to easily track your academic progress. You will be able to see how specific Bentley requirements have been met and which courses you can take to fulfill the requirements still remaining.

Familiarize yourself with your Degree Works audit (accessible via the Academics section of Workday)

When reviewing your Degree Works audit, please click **PROCESS NEW** at the top to ensure you're viewing the most current details.

Use the **What If** feature to review potential major/minor course requirements. Please make sure to include your catalog year. Your catalog year is the term you enrolled at Bentley.

The **Look Ahead** feature allows you to select future courses to see how they would fulfill your degree requirements. Courses planned in "Look Ahead" may repeat or "double dip" in ways they will NOT when you register.

Workday changes can take at least 24-48 hours to be updated into Degree Works. These updates include changes to majors and minors, newly registered courses, and transfer credit.

If you have additional questions about degree requirements, please come to drop-ins or schedule an appointment with an academic advisor.

Spring Ahead on March 13!

Daylight Saving Time begins on Sunday, March 13th at 2am ET, moving Eastern Time ahead one hour. Please be sure to note this change and plan accordingly.
