*As we will be supporting a high volume of students, we ask for your patience as  
there may be a wait to be let into the Zoom!*

## HOW TO PREPARE FOR ZOOM ASSISTANCE

- Review all the materials on the New Student Advising & Registration website prior to joining Zoom.
- Use one device (preferably a laptop) to be on Zoom and register for courses.
- Sign onto Zoom through Bentley's single sign-on on MyBentley.
- Update your display name on Zoom to be your first and last name.
- Have your Bentley student ID ready.
- We will have our cameras on and so we invite you to do the same if you feel comfortable and are able to!

## IMPORTANT TO REMEMBER!

These Zoom sessions are structured as small group advising and so we may be helping multiple students at the same time.

This allows us to efficiently support the large number of incoming students and address their questions leading up to registration.
