CITATION FOR HONORARY DEGREE

YVONNE HAO

Accomplished business leader, entrepreneur and former Massachusetts secretary of Economic Development

Yvonne Hao, trailblazing leader in economic development, we are proud to confer upon you today the honorary degree Doctor of Commercial Science.

Throughout your accomplished career, you have demonstrated how smart, good business practices can impact bottom lines and communities. Your recent role as secretary of the Executive Office of Economic Development highlights your commitment to using your expertise to improve the lives of Massachusetts residents. In that role you emphasized unity and collaboration, reinforcing that we are all part of “Team Massachusetts,” while conducting listening tours to get to know your constituents and successfully facilitating a \$4 billion economic development package for the state. And you sat on the state’s first ever Artificial Intelligence (AI) strategic task force, ensuring that Massachusetts stay at the forefront of growth and change in technology. In your work at Cove Hill Partners and PillPack, you demonstrated the importance of creativity, ingenuity and innovation — qualities that we at Bentley believe are the hallmarks of good business.

Throughout your 25-year career, you have leveraged your extensive business experience to deliver lasting value, extending that philosophy beyond your places of work and across society. You have served as board director at companies such as CarGurus, Flywire, Gentherm, ZipRecruiter and Bose, vice chair of the board of trustees of Beth Israel Lahey Health, and are trustee emerita of your alma mater, Williams College. For that and more your accomplishments have been notably recognized.

Today we offer our deep admiration for all that you have accomplished from the C-suite to the heart of your communities.

Therefore, by virtue of the authority vested by the Commonwealth of Massachusetts and by the Bentley University Board of Trustees, we confer upon you, Yvonne Hao, the degree of Doctor of Commercial Science, honoris causa. We hold it both a pleasure and an honor to do so.
