CITATION FOR HONORARY DEGREE

JEREMY M. JACOBS JR., P '20

CEO, Delaware North, and Alternate Governor, Boston Bruins

Jeremy “Jerry” M. Jacobs Jr., accomplished business professional and distinguished leader in civic engagement, we are proud to confer upon you today the honorary degree Doctor of Commercial Science.

Your extensive experience in the business world runs as deep as your commitment to those around you, whose health and wellbeing you have championed over many years of volunteer and civic service. Your leadership at Delaware North over the past two decades has touched many corners of the family-run organization. Today, as CEO, you not only oversee the company but also seven operating subsidiaries, focusing your attention on strategic growth and planning, as well as corporate governance and financial management. In addition, as an alternate governor to the six-time Stanley Cup champion Boston Bruins, you help steward a member of the Original Six, the teams that came together to found the National Hockey League as we know it today. But your efforts and interests in the betterment of others do not stop there.

You have dedicated much of your career to serving organizations nationwide that champion a broad swath of Americans. As a member of the board of directors for The Corps Network, you help steer the workings of a national organization that seeks to champion diverse young people and recent veterans, as well as their surrounding communities. As chair of the board for Mimivax, a biotech company that seeks solutions to better treat cancer, your investment in the health and wellbeing of all people, as well as your dedication to innovation and health care, is evident. As chair of the University at Buffalo Council, you lead the primary oversight and advisory body to the university and its senior officers. And as a founding board member for Say Yes Buffalo, your belief in the power of education has helped high school and postsecondary students in your hometown finish their schooling. At Bentley we honor and share your emphasis on extending opportunity and using business and education for good.

Today we offer our deep admiration for all that you have accomplished in the business world and in your deep commitment to community betterment — both locally and worldwide.

Therefore, by virtue of the authority vested by the Commonwealth of Massachusetts and by the Bentley University Board of Trustees, we confer upon you, Jeremy “Jerry” M. Jacobs Jr., the degree of Doctor of Commercial Science, honoris causa. We hold it both a pleasure and an honor to do so.
