RECESSION
CITATION FOR HONORARY DEGREE

KARAN YVONNE DYSON
Vice President, Global Grooming Process and Engineering, Procter & Gamble
Doctor of Commercial Science

Karan Dyson, accomplished engineering professional, trailblazing executive and champion extender of opportunity, we are proud to confer upon you today the honorary degree Doctor of Commercial Science.

Your values-led leadership refuses to be siloed. At Procter & Gamble, you have worn many impressive hats, leading global engineering, R&D and manufacturing organizations across Grooming, Baby Care, Fabric and Home Care, Engineering, Oral Care and Family Care. Reaching back to offer a hand up, you’ve personally recruited scores of students into full-time and summer intern positions across P&G. The doors you’ve opened promise to boost the trajectory of countless young professionals and their families. Your impact will be measured not in years but across generations.

As a board member for the Girl Scouts of Eastern Massachusetts and strong supporter and member of the Society of Women Engineers, you have been a powerful advocate for girls and women in STEM. At Bentley we honor and share your emphasis on extending opportunity and using business for good.

Your commitment to inspiring the next generation has rightfully earned you your emphasis on extending opportunity and using business for good.

Today we offer our deep admiration for all that you have accomplished in the field of engineering, at P&G and in your continued commitment to lifting up, inspiring and empowering the next generation.

Therefore, by virtue of the authority vested by the Commonwealth of Massachusetts and by the Bentley University Board of Trustees, we confer upon you, Karan Yvonne Dyson, the degree of Doctor of Commercial Science, honoris causa. We hold it both a pleasure and an honor to do so.

E. LaBrent Chrste, PhD
President

J. Paul Condrin III ’83, P ’19 ’22
Chair of the Board of Trustees

DEGREE RECIPIENTS AND CANDIDATES

The listing of names and degrees to be conferred, appearing herein, is subject to such changes, deletions and additions as may be necessary to conform to the final and official records of Bentley University. This listing includes potential candidates for graduation and is not an official list of graduates. Awarding of degrees is contingent upon certification by the Registrar pending receipt of final grades.

Bentley University is more than just one of the nation’s top business schools. It is a lifelong learning community that creates successful leaders who make business a force for positive change. With a combination of business and the arts and sciences and a flexible, personalized approach to education, Bentley provides students with critical thinking and practical skills that prepare them to lead successful, rewarding careers. Founded in 1917, the university enrolls 4,100 undergraduate and 1,000 graduate and PhD students and is set on 163 acres in Waltham, Massachusetts, 10 miles west of Boston. For more information, visit bentley.edu.
