CITATION FOR HONORARY DEGREE

SARAH ISELIN

President and CEO, Blue Cross Blue Shield of Massachusetts

Sarah Iselin, successful leader in the public health sector and impactful civic-minded citizen, we are proud to confer upon you today the honorary degree of Doctor of Commercial Science.

Throughout your career and your engagement in the greater community, you have been a living example of business for good — the good of the companies you serve and lead and the people whose lives are improved by the change you drive.

As president and CEO of Blue Cross Blue Shield of Massachusetts, you oversee one of the largest independent Blue Cross Blue Shield plans in the country. The numbers are impressive: Under your leadership, the company manages more than \$20 billion in healthcare spending, counts nearly 3 million members and employs more than 4,000 people. More impressive, perhaps, is the feedback: Blue Cross Blue Shield of Massachusetts is consistently recognized as one of the nation's best health plans for member satisfaction and quality.

You enjoyed incredible success at the Blue Cross Blue Shield of Massachusetts Foundation, where the "Roadmap to Coverage" that you helped develop contributed to the passage of Massachusetts' landmark 2006 health reform law, which resulted in the lowest uninsured rate in the country and later became the model for the Affordable Care Act.

You have served the people of this Commonwealth in numerous and myriad ways — as commissioner of the state's Division of Health Care Finance and Policy as well as on boards including the Greater Boston Chamber of Commerce, Boston Green Ribbon Commission, Blue Cross Blue Shield Association, Blue Health Intelligence, and Solis Mammography.

Today we offer our deep admiration for all that you have accomplished for the health of Massachusetts and the people that call our great state home.

Therefore, by virtue of the authority vested by the Commonwealth of Massachusetts on the Bentley University Board of Trustees, we confer upon you, Sarah Iselin, the degree of Doctor of Commercial Science, *honoris causa*. We hold it both a pleasure and an honor to do so.

E. LaBrent Chrite, PhD
