

Bentley FSL Standards Program, Revised for the Semester of Fall 2020

The policies of the FSL Standards Program remain the same, unless otherwise noted. A full version of the Standards Program policies can be found [here](#). In addition, chapters and Fraternity and Sorority Life members are expected to comply with University COVID-19 policies, found [here](#). Each chapter must adhere to all University policies, including those managed by the Office of Student Programs & Engagement (such as the Student Organization Guidebook, including COVID-19 policies for student organizations) and Office of the Dean of Student Affairs (such as the [Student Handbook, including the COVID-19 Addendum](#)).

------	---------	----	----------------------------------	---------------------	-----	-----	------

- All events listed such as campus event attendance, brother/sisterhood, etc. must be conducted virtually, unless otherwise approved in writing by SP&E in advance. SP&E’s decision not to approve a request for an in-person event should not constitute a reason for not completing a requirement virtually.
- COVID-19 Policy and Risk Management Policy Review entails a review of current state and University COVID-19 policies (which can be provided by SP&E) as well as chapter risk management policies with your chapter.
- To fulfill the Representative in Social Justice Working Group requirement, every chapter must have a representative in the SJWG.
- Campus Groups Page setup will include setting up basic pieces of your Campus Groups page, as outlined in SP&E’s August email to student organizations.
 - The Recruitment Information Session requirement has been removed, despite being included in the previous Standards document
- The Sophomore Career Services Educational Session will be held on September 18th at 2 PM
