

# Provide a Link to Your Public Page

From <https://faculty.bentley.edu>, browse by department or last name to find your public profile page. Note: Do NOT log into Interfolio (formerly Faculty Success).

After you locate your public profile page:

- Highlight the web link at the top of the browser (browser address bar)
- Press Ctrl+C to copy the link
- Switch to any other application (such as e-mail), click to place the cursor in the text area, and press Ctrl+V to paste the link into the body of the message
