“Bentley surpassed my expectations. The MBA helped open doors for me.”

Remy Cofield, MBA '14

EVOLVE.

Graduate Career Development Intensive Course (GCDI)

Seasoned career advisers lead a six-week career development course focused on helping you enhance your brand by:

- Growth-mindset development
- Strengths-based assessment and reflection
- Résumé and cover letter development
- LinkedIn profile maximization
- Networking strategies and informational interview mastery
- Resource utilization

Strengths-Based Education

By uncovering and enhancing the strengths you naturally possess, the GCS team, who are strengths-trained and/or certified, will help you get the most out of your individual strengths to sell your unique personal brand.

EXCEL.

Workshops and Events

GCS offers interactive programs each academic year to support your professional development and strengthen your job search process.

- Graduate School Career Fair
- Career pathing sessions
- Company visits
- International student programs
- Advanced job search workshops
- Mock interviews and résumé reviews

On-Campus Recruiting

The GCS team's strong connections with employers, alumni and other leading professionals help you learn about potential career paths, leading to more sharply focused job/internship searches.
