**“The GCD team is amazing;
They assisted me in getting
where I am today and I am
so grateful to them for this.”**

Pearl Esema, MBA, MSBA '19
Consulting Digital Analyst, Accenture

EVOLVE

Career Development Intensive Course (CDI 501)

Seasoned career advisers lead a six-week career development course focused on helping you enhance your brand by:

- Growth-mindset development
- Strengths-based assessment and reflection
- Résumé and cover letter development
- LinkedIn profile maximization
- Networking strategies and informational interview mastery
- Resource utilization

Strengths-Based Education

By uncovering and enhancing the strengths you naturally possess, the GCD team, who are CliftonStrengths-trained and/or certified, will help you get the most out of your individual talents to sell your personal brand.

EXCEL

Workshops and Events

GCD offers virtual and in-person interactive programs each academic year to support your professional development and strengthen your job search process.

- Graduate School Career Fair
- Career community sessions
- Company visits
- International student programs
- Advanced job search workshops
- Mock interviews and résumé reviews

On-Campus Recruiting

The GCD team's strong connections with employers, alumni and other leading professionals help you learn about potential career paths, leading to more sharply focused job/internship searches.
