

To assist students in understanding the course modalities and course section listings in Workday.

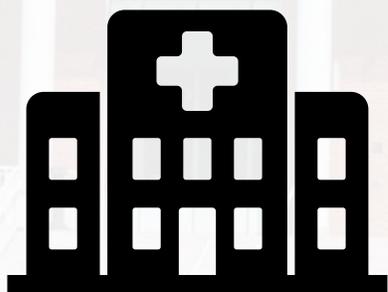

AL - ASYNCHRONOUS

These course sections are 6 week online accelerated sessions. Students don't have an assigned time to log in for lectures and are expected to review course materials and assignments through Brightspace. **AL sections are typically restricted to AOMBA students for the first two weeks of registration.**

These course sections become available to remaining programs *excluding undergraduate Advanced Standing.*

Be sure to review the course section rules and public notes.

AL course sections may have **3 live optional online synchronous** class meetings per your Instructor.

HC - HEALTHCARE

These course sections are restricted to **Business Administration - Healthcare students only.**

COURSE SECTIONS ENDING IN NUMBERS

Course sections ending in "1,2,3,4..." indicate the course section number.

These are hybrid course sections meaning they can be taken live in person or virtually.

Be sure to review the eligibility rules of the course section to ensure your eligibility.

EX - EXECUTIVE FORMAT

Executive format courses are typically intensive format. These courses combine in-person sessions, virtual learning, and self-paced study. Classes may be scheduled on weekends, evenings. **Exclusive to Human Factors in Information Design program**
