

As Fall 2026 registration is approaching, we wanted to share some **important information** to help make the process as smooth as possible for you.

On Wednesday, March 18th, the summer and fall course listings and your registration appointments will be available in Workday. Additional information and resources can be found on the [Registration Hub](#) (click on specific terms within the hub for additional information) on that day.

- **[Confirm your Major/Minor/Concentration.](#)** Check your program of study in Workday. Ensure that any majors, minors, and concentrations are correctly declared. Any inaccuracies in your program of study could affect registration opportunities. Directions on how to update this can be found [here](#).
- **[Check Workday for holds.](#)** Be sure to check Workday for any holds. Having a hold will prevent you from being able to register for courses.
 - **NEW:** All active students must agree to the Financial Responsibility Agreement (FRA) before registering for courses each semester. You will find this in your Workday inbox starting 3/4/26. There will be a hold on registration until this has been completed. Please review and submit the agreement as soon as possible to avoid any delays with course registration. Instructions to complete the FRA can be found [here](#). View the email announcement [here](#). Contact [Student Financial Services](#) with questions.
- **[Review your Degree Works audit.](#)** Hit “Process New” to view the most updated audit. If something isn’t falling where it should, email ga_registrar@bentley.edu and your academic advisor. If you need assistance determining course selection, please attend Advising Drop-ins or schedule an advising meeting.
- **[Do not rely on the waitlist.](#)** There is no guarantee that you will be offered a seat. At the time you register, you should fully register for your academic courses. If you get offered a seat in a waitlisted course, you can swap classes within your schedule.
- **[Apply for Degree Completion.](#)** If you are completing your degree in either Summer or Fall 2026, please apply for degree completion.
 - **Summer graduates:** use expected completion date of **August 21, 2026.**
 - **Fall graduates:** use expected completion date of **December 15, 2026.**Directions can be found [here](#). After applying, complete the diploma questionnaire in your Workday inbox.

Best,
Office of the Registrar
