

Automatic Waivers for English Courses

Students can now receive a waiver from taking an English Language Proficiency exam for admission to Bentley University if they are taking the English courses detailed below.

- o **AP English Language and AP English Literature:** Applicants will need to have completed AP English Language by the time they apply to Bentley and have received a B-equivalent or higher *and* be enrolled in AP English Literature with a B-equivalent or higher.
- o **IB English:** Applicants will need to have earned internal mark of 5 or higher during their first year of IB English, regardless of level. They will also need to be enrolled in IB English during their second year, with a score of 5 or higher.
- o **A-Level English:** Applicants will need to be pursuing A-Level English at the time of application and have achieved an internal mark of C or higher at the AS level at time of application, alongside either an internal mark or predicted grade of C or higher on the A-level exam.

Students who fit these requirements should not submit a waiver request through their application portal, they will be automatically reviewed upon receipt of their application and secondary school transcript.

If approved, the English language proficiency test score requirement will be removed from the checklist in their application portal approximately one week after submission.
