

# Graduate Career Development Resources

The Career Masterclass Collection features a comprehensive suite of insider secrets and techniques from a former LinkedIn Education Team leader and top career coach. Designed to transform you into an insider and empower your career journey.

The #1 way to connect with employers from a wide variety of industries.

You can apply to jobs and internships with employers who are seeking Bentley talent, register for events and coaching appointments, and access resources (career toolkits!).

Pro tip: Search "GCD" for our events.

Transition your degree into your dream job. Big Interview combines training and interview practice using video lessons and an interactive practice tool.

USE ACCESS CODE:  
1917

Career exploration and job search resources are available to international students and anyone interested in work abroad.

AI feedback to elevate and optimize your resume.

Access by contacting GCD@bentley.edu using your Bentley email address.

## CAREER LEADER

A self-assessment tool to uncover your unique pattern of business-relevant interests, skills and motivators.

Audra Boni

John Hutchings

Rachel White

## CAREER COACHING

The Graduate Career Development (GCD) team has expertise across the business spectrum as well as specialized knowledge of industries aligned with Bentley's MBA and MS programs.

Schedule an appointment via Handshake with our graduate career coaches. Discuss your resume and cover letter, long and short term career goals, interview strategies, and more!
