

# Where Do I Get Tested?

## HIV & STI TESTING SITES

The Bentley University Health Center offers HIV/STI testing for students.

If you prefer to get tested off campus, below is a listing of STI/HIV testing sites in the Boston area.

Counseling is recommended prior to testing, as well as part of your receiving your results.

Have questions? Please call and schedule an appointment at the Health Center to talk to a provider at 781-891-2222
